

← *bridge between two reality shootings*

grandpa went back to vietnam

where he met his comrade / old identity

Meditatively, they worked as a single entity.

though

touching

my grandpa got back to reality

*time reversal
(back to animation)*

_____ The orders were recalled and invaded his body _____

flames ignite in his eyes

he saw an elephant, who brought
two hallucinations :
① ②

① his mind lost with no way out

② his body consumed by pain.

_____ as the vision gone, he
faced the death of others _____

Insects crawl out of the corpse,

my grandpa crushes them
and walked forward.
